

Exciting News!

NYSSRA is working with Skida - a company started by a former ski racer based in VT, to make custom designed hats and neck warmers just for NYSSRA. This will provide NYSSRA with high visibility at the Killington World Cup and besides - they just look cool.

Killington World Cup Athlete Parade Sunday November 26. NYSSRA athletes will participate in a parade of athletes prior to the start of the World Cup SL race which was won last year by Mikaela Shiffrin. Athletes will wear these hats to identify themselves as NYSSRA athletes. (More info on the parade meeting place etc. as we get closer)

You don't need to go to the World Cup to purchase a hat or neck warmer.
