

## **ITS GO TIME!**

***Storage wax off***

***New work gloves from the farm store***

***Warm skivvies back out of the attic***

***Season training plans roughed out***

***Sign up for scheduled L100 and L200 certification***

**Are you missing anything on your checklist? Time is running out to register for our December early season on snow assessments. No time to do the online work but you are registered coach? Check in with your coach developer before deciding to wait.**

**All dates have room and require a minimum of 6 participants.**

**L100 Certification will be required for venue participation beginning next fall. We anticipate this years spring clinics to fill up fast.**

**Sign up today!**

### **HOW TO REGISTER FOR CERTIFICATIONS AND CLINICS**

Please read and check off requirements and use links to registration below:

As long as coaches have completed all of their basic coach membership requirements, they can register for the appropriate level course at any time.

PRE-REQUISITES: must be met BEFORE registering for a certification course

- Current U.S. Ski & Snowboard [Coach Membership](#) – required annually.
- Current Background Screening - required every two years
- Current [SafeSport or SafeSport Refresher](#) – required annually.
- Completion of Coaching Fundamentals – This course consists of 5 non-sport-specific online modules and is required for any new coach member without a certification.
- Introduction to Avalanches Course - required for all members 18+

[Alpine Website Information \(click link below to register\):](#)

[Alpine 100](#)

[Alpine Course Setting & 200](#)

(Introduction to course setting is a prerequisite for the level 200 or ([Alpine Course Setting Recommendation Form Completed](#)))

Recommending coach must be LEVEL 300 or HIGHER. Recommending official must be chief of race or referee LEVEL 200 or HIGHER. You may NOT recommend yourself. Please note if you do not meet these requirements your recommendation will NOT be approved. This information will be kept confidential.
