

I am Krista Jackson, the Race Administrator for Bristol Mountain Race Club. I am a member of the NYSSRA AO Committee to represent all Race Administrators who support the ski race clubs throughout NY state. Every RA fills a critical role for their respective club. NYSSRA's AO Committee recognizes the commitment you make to ski racing- thank you! I am here as a resource if you need help navigating any process related to the role of Race Administrator. If you cannot find a tool you need in the RA section of the NYSSRA website or simply have a question, please reach out by email- **[kjackson18@rochester.rr.com](mailto:kjackson18@rochester.rr.com)**.
